Welcome to Eastham

... Where Natural Beauty Stays on Cape Cod

IT'S your vacation, so why not enjoy it? In Eastham, you are in a position to take full advantage of a real old fashioned New England vacation. Some of the most superb vacation coastline with its many beaches and facilities on the whole Atlantic seaboard are at your command.

Eastham's little side roads give you the beauty of wild roses, pine woods and sparkling fresh water ponds. Add to these the modern roads criss-crossing through the town as though to intertwine the natural beauty with a convenience and almost tangible sense of welcome and you will realize Eastham can't be beat for joyous, comfortable living, whether for a week, a month or your lifetime.

Not only will you enjoy the summer months but more and more we find our guests enjoy attending an old fashioned New England Town meeting in the early Spring. And who could ask for anything better than a traditional Thanksgiving centered among the Historical surroundings of its origin.

Eastham, is a year round vacation land . . . Why not take advantage of it? ? ?

From all your friends, the townspeople of Eastham

EASTHAM HISTORICAL SOCIETY, INC.

"Preserving the Past for the Future"

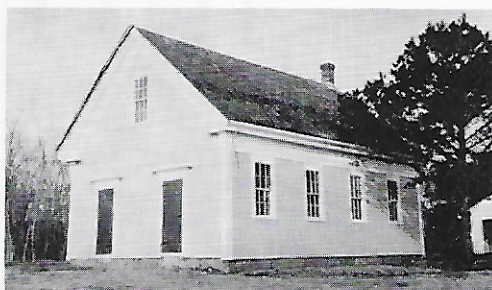

The Eastham Historical Society, Inc. was founded in 1963. Membership now numbers approximately 350 members, resident and non-resident. The object of the Society is to create and foster an interest in the Town of Eastham, to promote historical research, to collect and preserve artifacts, photographs, historical documents, and to provide for their proper custody.

The above photograph shows the exterior of the restored 1869 one room schoolhouse (now in its centennial year) now the Schoolhouse Museum, located opposite the Visitors Center in the Cape Cod National Seashore.

The 1969 Museum season will open Saturday afternoon, June 28th, from 2 to 5 p.m. During July and August the Museum will be open on Monday, Wednesday, and Friday afternoons from 2 to 5 p.m. In September the Museum will be open Saturday afternoons only. The admission is 25c per person, pre-school children excepted.

The outhouse at the rear of the Museum has been restored into the Toolhouse Annex, with many interesting exhibits that should not be overlooked. Suitable gifts for the Museum will be welcomed and may be left at the Eastham Public Library, or by getting in touch with Frederick H. Jewell, Curator, at Tel. 255-2136 who will gladly arrange to pick them up.

Apart from the establishment of the Museum and lectures, historical signs have been placed at the Old Cove Burial Ground on Route 6. Here the Society also placed

memorial stones on the unmarked graves of Mayflower passengers Constance Hopkins Snow, Giles Hopkins, and Lieut. Joseph Rogers. Also at the second old cemetery on Bridge Road, both having been the sites of the first three Congregational churches. At the First Encounter parking lot on the Bay side, a sign marks the location, a newly made black top path provided by the Society in association with the Pilgrim Memorial Association leads up the side of the dune to the memorial stone, which marks the site of the first encounter of the Pilgrims with the Indians. This is well worth a visit with a fine view of the Bay and the target ship. The Society also sponsors the historical bikeway around Eastham and which leads to the bikeway in the Seashore which connects the Visitors Center with the Coast Guard beach. Maps are available at the Museum and the American Youth Hostel on Bridge Road. Two historical milestones have been removed to the schoolhouse grounds. Further projects are under consideration and suggestions will be welcomed.

New members are welcomed. The membership is \$1.00 per person per year for adults and 50c for children. Applications may be sent to Mrs. E. E. Kattwinkel, Secretary, P.O. Box 8, Eastham, Mass. 02642.

The historical facts in the 1968 Eastham Town Report and in this handbook were supplied by the Society.

EASTHAM'S SUPERB BEACHES
ARE IDEAL FOR ALL AGES
WHETHER YOU WALK, SWIM,
SUN, SURF, OR BUILD CASTLES

By a rampart of sand these youngsters soak up sun and fun and await the sea's next inward surge.

Eastham's famous beaches both bay and ocean, are never more than a few minutes away no matter where you stay here. Nauset or the Great Beach extends for over five miles along the Atlantic Ocean in Eastham. Its broad sands play host to thousands yet it is never crowded for leisurely strolls or, between dips, for relaxation to the tune of the surf's steady orchestration.

There's beach play and healthful exercise aplenty and Nauset Beach is ideal for all bathers at low tide. But parents of very young children may prefer the warmer and generally shallower bathing available at high tide at the many public beaches along Eastham's Cape Cod Bay shore.

Clear, fresh water ponds, too, offer unexcelled bathing when you prefer a change from salt and surf.

Here is one good reason more families like to vacation or live year 'round in Eastham.

CAPE COD RECIPES

Quahog Chowder

Cut 1½ inch cube fat salt pork in small pieces and try out.

Add 1 sliced onion and brown slightly.

Add 4 cups potatoes cut in ¾ inch cubes, and 2½ cups hot water, 1 teaspoon salt, ⅓ teaspoon pepper and 6 to 8 large quahogs, chopped fine.

Cook about 15 minutes. Add 4 tablespoons butter and 4 cups scalded milk.

A *little* of the juice from the quahogs may be added if desired.

Quahog Pie

Combine 2 cups chopped quahogs, ¼ cup quahog liquor, 1 tablespoon melted butter, ½ cup cracker crumbs, 1 beaten egg, 1 cup milk, salt and pepper.

Line a deep pie plate with pastry. Pour in filling. Cover with top crust. Cut hole in center.

Bake about 1 hour at 375 degrees. Serve very hot with mashed potatoes.

Quahog Cakes

Chop or grind 6 large quahogs. Add 1 egg, 1 teaspoon minced onion, ½ teaspoon salt, pepper and enough cracker crumbs to hold together (not too dry).

Put spoonfuls in hot greased skillet and flatten into cakes. Brown well on both sides.

Cranberry Salad

Dissolve 1 pkg. Lemon Jello in 1½ cups hot water. Chill. When slightly thickened, fold in 1 cup sweetened cranberry sauce, 1 cup chopped celery, ½ cup drained crushed pineapple. Place in molds and chill until firm.

For Fishing At Its Best, Fish In Eastham

During the summer the striped bass is king of salt water game fish in Cape Cod waters and Eastham's striper fishing is hard to beat. Surf casting all along the tides at Nauset Beach lures the experienced and the novice to try for the "big ones." And charter sport fishing boats, many skippered by Eastham men, will take you from Rock Harbor in quest of stripers offshore in the Bay.

Bluefish entice the angler too and are caught in both surf and bay in season. Flounder, tautog and a number of other good eating bottom fish make most any fishing trip from Eastham's shores something to recall happily.

Surfcasting from Eastham's broad beaches is a sport equally thrilling to expert or novice.

Eastham's Town Cove is an excellent spot for flounder and plaice fish and trolling for striped bass here offers additional thrills. There are several boat liveries on the Cove shore so fishing can be fun for all the family.

Target Ship In Bay Serves A Good Purpose

This target ship in Cape Cod Bay was a victory ship named General James E. Longstreet. Towed to its present position early in World War II, it rests on the bottom of the Bay and is used for target practice by U.S. Air Force planes stationed at nearby air fields. Light caliber ammunition as well as rockets and practice bombs are used to train the plane crews. When towed into position the ship was new but incomplete and had no engines.
